### **Renville County HRA/EDA Accepting Business Innovation Grant Applications**

(OLIVIA, MN, December 11, 2019) – The Renville County HRA/EDA is accepting applications for the Business Innovation Grant program until January 10, 2020. The Business Innovation Grant Program was designed to assist businesses in Renville County with business development and growth opportunities.

The maximum grant amount is \$3,000 and a minimum 1:1 contribution match from the business or other funds is required. The project must have the potential to create or retain jobs or be intended to increase the revenues of local businesses.

Eligible uses include equipment purchases or upgrades; capital improvements; purchase, construction, renovation, or expansion of buildings; development or promotion of new product lines; commercial blight; professional development or employee training (tuition only); and information technology upgrades.

Applications are scored based on need, leveraging of other funds, potential impact on Renville County, realism of the project, and timetable of the project.

To view the full list of Business Innovation Grant guidelines or for a grant application, please visit [www.Renville.com](http://www.Renville.com) or call (320) 523-3656.

The Renville County HRA/EDA works to keep the county strong by fostering business growth and development, promoting tourism and recreation, and providing housing opportunities for county residents.
